Complete Coatings Services secure the supply contract of internal coatings at the SR Technics facility.

Complete Coatings Services recently secured the supply contract of internal coatings for Aviation component specialist **SR Technics Airfoil Services Ltd** who recently completed an internal refurbishment project at their facility. The area involved was approx 4,600 sqm's covering a variety of different substrates within their facility.

See our projects page on our web site for full details and photos.....

Complete Coating Services are now offering a bespoke heavy duty range of industrial products in small pack sizes.....

Further to market demands for more competitiveness, in supply to our paint partners throughout Ireland, Complete Coating Services will launch a strong international paint selling brand into builder's merchants, chandleries, engineering supply shops, co-ops.

It will consist of supplying commodity industrial and heavy duty paints in smaller pack sizes- such as 1 litre & 2.5litre to the smaller user consumer throughout Ireland.

If you are interested in having a competitive advantage over your rivals and would like to become a paint partner with us, we would be happy to discuss with you any particular requirements that you may have.

See our projects page on our web site for full details and photos.....

Complete Coating Services will make a financial donation this December to the St Vincent de Paul Society of Ireland

We hope this donation will help the Society in a small way deal with the many requests it will receive from families for assistance especially over the Christmas period. To our loyal customers, our sincere gratitude for your participation, support and approval of our annual charitable donation on your behalf. May we take this opportunity to wish you and yours and happy and peaceful Christmas.
