

# Complete Coating Services

## Newsletter Q4/2010

VOLUME 1 ISSUE 5

OCTOBER 2010

### *Complete Coating Services secure the flooring resin*

### *supply contract nationwide for the new pet superstore*

Complete Coating Services recently received approval from the Maxi Zoo Ireland design team to supply a high quality bespoke decorative quartz resin system on a number of their new shopping units throughout Ireland.

For more details see Projects menu.

### *Need an approved contractor?*

Complete Coating Services in our various dealings with design teams, architects, engineers and clients have often been asked to recommend - based on experience, skills and training - professional applicators of our products.

We now offer a selected list of applicators whom will have a deep familiarity and understanding of our products with regards to best method, application and practice.

If we can help you to maximize the value of your Euro contact us direct and we will recommend the best professional applicators in the business!

For more details see News Page.

### *Give Your Cladding A Facelift!*

We recently supplied a bespoke cladding coating for refurbishment of the cladding at Jungheinrich Ltd premises in Cork. They annexed a building adjoining their property which had a different colour cladding on it. They requested that we specify a coating system that would give them at least a 10 year's life to the cladding. This involved matching their specific colour that pertains to all their units in Europe. With our in-house tinting and matching service we were able to do this successfully and all parties involved were very satisfied with the result. .

For more details see Projects menu.
