Complete Coating Services secure supply contract for Industrial unit at Airport Business Park, Waterford.

Complete Coating Services recently secured the supply contract using Jotun flooring materials to one of our customers who required a non slip floor for his industrial unit at the Airport Business Park, Waterford.

The application of the flooring materials was carried out by the clients own personnel, Complete Coatings Services provided supervision and training to enable them to apply the materials directly before commencing on site operations.

Douglas Hall of Hall Industrial Services provided the concrete preparation service directly to the client. On completion of this task, a non slip high build solvent free epoxy floor finish was applied to the prepared floor.

See our projects page on our web site for full details and photos.....
