Dear Friend,

This Christmas, Complete Coating Services has made a donation on your behalf in lieu of a Christmas Gift to you this year, for the loyal support & valuable business that they very much appreciate from you throughout the year.

In return, this donation will make a valuable contribution & difference to a family or an individual who are less fortunate this year due to recent economic events.

Thank you for your support for the work of the Society, such concrete recognition is a source of great encouragement to our Volunteers.

Yours sincerely,

Regional Administrator
